The Genesis Prize

ITZHAK PERLMAN
Third Laureate of the Genesis Prize

"I am humbled and honored to receive the Genesis Prize, recognizing not just my professional achievements and my desire to improve the world, but also my commitment to my Jewish identity, Jewish values, Jewish culture and Israel. I have always been very proud of my Jewish heritage, which has greatly influenced my music, my world view, and my work as an advocate for individuals whom society often leaves behind."
